2.2.2 DP agrees that in performing the design professional services to be performed under this Agreement, whether in the Design Phase or Construction Phase, or any subphase, it will apply the technical skills, knowledge and judgment that would be applied by other design and contract administration professionals in performing similar services as defined in Section 2.1.2.19 of this Agreement and cause all Subconsultants it employs to meet this same criteria and same Standard of Care.

It is understood and agreed that this 2% share shall apply to the aggregate amount of costs for professional errors or omissions and not to each error or omission individually. This 2% share shall not apply to claims for property damage, personal injury, or death, whether incurred by Owner, or third parties.

Owner shall deliver to DP a list of errors or omissions amounts that Owner has determined it has absorbed or will absorb in whole or in part.

The DP acknowledges and agrees that approval by the Owner and the Contractor and involvement of the Contractor and the Owner during the Design Phase (including, without limitation, recommendations by the Contractor or Owner as to the design), in no way relieves the DP of responsibility for the Design Documents. The DP, Contractor, and the Owner will cooperate in the resolution of such matters so as to minimize any detrimental impact upon the Project. However, such cooperation shall not be deemed a waiver of any rights the Owner may have relating to the DP.

2.2.8 The DP hereby agrees, subject to the Standard of Care, that it shall have the same legal responsibility to the Owner as the Owner has, or may have, to others arising out of, or resulting from, any acts or omissions of the DP.

7.9 Authorization to Obtain Information. The Owner may, and the DP hereby authorizes the Owner to, request and receive directly from insurance companies utilized by the DP in meeting the insurance requirements any and all information reasonably considered necessary in the sole discretion of the Owner.

7.10 Waiver. DP and its insurers providing the coverages required above shall and do hereby waive all rights of recovery against the State of Arizona, the Arizona Board of Regents, the University of Arizona, and their officers and employees.

7.11 Claim Reporting. Any failure to comply with the claim reporting provisions of the policies or any breach of a policy warranty shall not affect coverage afforded under the policy to protect Owner.

7.12 Self-insurance. The policies specified herein may provide coverage which contains deductibles or self-insured retentions. Such deductibles and/or self-insured retentions shall not be applicable with respect to the coverage provided to Owner under such policies. The DP shall be solely responsible for deductible and/or self-insured retention, and Owner, at its option, may require the DP to secure the payment of such deductible or self-insured retention by a surety bond or an irrevocable and unconditional letter of credit.

7.13 Contractual Obligations. The stipulation of insurance coverages in this Article 7 or elsewhere, shall not be construed to limit, qualify, or waive any liabilities or obligations of DP, assumed or otherwise, under this Agreement.

7.14 Indemnity. To the maximum extent allowed by law, DP shall indemnify, defend, save and hold harmless the State of Arizona, the Arizona Board of Regents, and the University of Arizona and their officers, officials, agents, and employees (hereinafter referred to as “Indemnatee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property to the extent caused, or alleged to be caused, by the negligence, recklessness, or intentional wrongful conduct or errors or omissions by the DP or DP’s Subconsultants or any of its owners, officers, directors, agents, employees, arising out of performance of the Work or this Agreement, or in connection with the Project or defects in the Work. This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such DP or contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is agreed that DP will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this Agreement, the DP agrees to waive all rights of subrogation against the State of Arizona, the Arizona Board of Regents, the University of Arizona and their officers, officials, agents and employees for losses arising from the Work performed by the DP for the State of Arizona.

7.14.1 DP shall defend any action or proceeding brought against Owner based on any assertion or claim that the Construction Documents, any services provided by the DP, or any part thereof, constitutes infringement of any third party proprietary rights, trademark, patent or copyright, now or hereafter issued (“Proprietary Rights”). Owner agrees to give prompt notice in writing to DP of any such action or proceeding and to provide authority, information and assistance in the defense of same. DP shall defend, indemnify and hold harmless Owner from and against all damages and costs, including attorney’s fees, awarded against Owner or DP in any such action or proceeding. DP further agrees to keep Owner informed of all developments in the defense of such actions or proceedings.

7.14.2 In the event that Owner is enjoined from use of the Construction Documents, DP services, or any part thereof in connection with any claim of infringed Proprietary Rights, DP shall at its sole expense take reasonable steps to procure the right or license to operate or use same. If DP cannot so procure the aforesaid right within a reasonable time, DP shall then, promptly, at DP’s option and at DP’s expense and in consultation with Owner (a) modify the Construction Documents, or DP services, so to avoid infringement of any Proprietary Rights; or (b) replace said Construction Documents or DP Services, or any part thereof with work that does not infringe or violate any such Proprietary Rights.

7.14.3 Sections 7.14.1 and 7.14.2 above shall not be applicable to any action or proceeding based on infringement or violation of a Proprietary Right (a) relating solely to a particular process or the product of a particular manufacturer specified by Owner and such processes or products are

something other than that which has been offered or recommended by DP to Owner; or (b) arising from modifications to the Work by Owner or its agents after acceptance of the Work.

7.14.4 In addition to the other obligations of DP under this section 7.14, DP will be responsible for delays and for increases in the cost of the Work to the extent caused by allegations that DP infringed proprietary rights.

Article 8 Ownership of Documents

8.1 The plans, drawings, specifications, notes, reports, renderings, final models, design concepts and images, and all other documents and items to be prepared and furnished by the DP pursuant to this Agreement shall be the property of the Owner, including the right to use same on Owner's other projects without additional cost to the Owner. The DP shall maintain for its file copies of those documents, drawings and/or other products required by law or the standards of professional practices.

8.2 In the case of reuse or modification of the Construction documents by the Owner, the DP's name and seal shall be removed, and the DP shall not be liable to the Owner or third parties in their reuse.

8.3 By execution of this Agreement, the DP transfers all copyright, ownership, and other intellectual property interest in the Construction Documents and the completed Project to the Owner and further agrees to execute any separate assignment agreement necessary to implement such transfer. DP may use on other projects any standard detail and other parts of the Construction Documents not prepared exclusively for the Owner.

Article 9 No Assignments

9.1 The DP shall not assign, sublet or delegate his obligations under this Agreement without the prior written consent of the Owner and the Owner may withhold such consent for any reason.

Article 10 Requests for Contractual Adjustments and Dispute Resolution

10.1 Dispute Avoidance and Resolution.

10.1.1 The parties are fully committed to interacting and working with each other through the course of the Project, and agree to communicate regularly with each other at all times, including attending weekly on-site design and construction status meetings, so as to avoid, eliminate, or minimize any disputes, disagreements, claims, or controversies relating to the Project, (hereinafter "Disputes"). To the extent Disputes arise during the course of the Project that are not otherwise resolved by applicable portions of this Agreement, both DP and Owner agree to timely resolving such Disputes in an amicable, professional, and expeditious manner at the lowest possible level so as to avoid unnecessary costs, delays, and disruptions to the Work. To this end, the DP's Representative shall refer the Dispute to the Owner's Representative by written notice of same, not more than seven (7) calendar days from the occurrence of the event which gives rise to the

Dispute, or not more than seven (7) calendar days from the date that the DP knew or should have known of the matter.

10.1.2 In the event a Dispute cannot be resolved through DP's Representative and Owner's Representative in accordance with Section 10.1.1, the DP's Senior Representative and Owner's Senior Representative shall meet within 48 hours of such field level failure to attempt to resolve the Dispute. The parties agree that prior to any meetings between the Senior Representatives, they will timely exchange with each other all relevant documents and information that will assist the Senior Representatives in resolving the Dispute. The Senior Representatives shall have seven (7) calendar days from the time they first met to resolve the Dispute. If the Senior Representatives, after meeting in good faith, determine that the Dispute cannot be resolved by them on terms satisfactory to both parties, the parties agree that the sole remedy for DP to pursue the Dispute is to submit the Dispute to Owner in accordance with the applicable provisions of the Arizona Board of Regents' Policy Section 3-809.

10.1.3 The parties understand and agree that the process set forth in Section 10.1, 10.2, and in ABOR Policy Section 3-809, provide the sole and exclusive remedy to resolve a Dispute. The Parties further understand and agree that asserting the Dispute in accordance with Section 10.1.1 and 10.1.2 is integral and essential to the Parties' ability to perform their obligations under this Agreement. Failure to properly utilize the procedures in Section 10.1.1 and 10.1.2 exposes the non-utilizing party to damages which are difficult to accurately quantify and ascertain. The Parties agree that failure to properly utilize the procedures in Section 10.1.1 and 10.1.2 will require the non-utilizing party to pay the other party **ten thousand and 00/100 Dollars (\$10,000.00)** as liquidated damages, and not as a penalty. The damages awarded pursuant to this section shall be in addition to and not in lieu of other damages provided for under this Agreement.

10.2 Administrative Process.

10.2.1 DP and Owner agree that all other parties involved in the Project, including but not limited to the Contractor, can be made parties to the administrative process called for by Section 3-809 and to this end, both DP and Owner will include appropriate provisions in all contracts they execute with other parties in connection with the Project requiring attendance and participation by those other parties in any such administrative proceeding.

10.2.2 Unless otherwise agreed in writing, the DP shall carry on the Work and maintain its progress during the course of any unresolved Dispute, and the Owner shall continue to make payments as they fall due to the DP in accordance with the Contract Documents.

10.3 Decisions of Owner.

Any failure of the Owner to make a decision within the time limits set forth herein shall not be construed as acquiescence in all or any part of the DP's claim for relief.

Article 11 Termination or Suspension

11.1 The Owner may suspend or terminate the Project at any time, for any reason, for the convenience of the Owner. Upon written notice of suspension or termination the DP shall immediately cease all Work and not incur any further costs or expenses except as expressly permitted by the Owner in writing. If the Project is suspended for more than one calendar year through no fault of the DP, the DP shall be paid for Work actually performed and this Agreement shall terminate. Otherwise, the DP shall recommence work upon written notice from the Owner and this Agreement shall remain in full force and effect.

11.2 The Owner may terminate this Agreement without penalty or further obligation pursuant to A.R.S. § 38-511 if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the Owner is or becomes, at any time while the Agreement or any extension of the Agreement is in effect, an employee of or Subconsultant to the DP with respect to the subject matter of the Agreement. Such termination shall be effective when written notice from the Owner is received by the DP, unless the notice specifies a later time.

11.3 If Owner's performance under this Agreement or funds available for this Project and/or Work are dependent upon (i) the appropriation or allocation of funds by the Arizona Legislature, and if the Legislature fails to appropriate or allot funds necessary for performance of the Project and/or Work, (ii) the sale of bonds or other similar instruments, and if such bonds or other instruments are not sold or proceeds are not available, or (iii) third party gifts, donations or grants, and if such gifts, donations or grants are not received in whole or in part by Owner; then Owner may provide notice of this to the DP, and either a) cancel this Agreement without further obligation of Owner except as set forth at the end of this paragraph, or b) delay the Project and/or Work for a period of up to six (6) months (without cost to the Owner), after which date if no such funds are legally available for performance of this Agreement, Owner may cancel this Agreement without further obligation of Owner, except as set forth at the end of this paragraph. If cancellation occurs, Owner shall reimburse DP for all services authorized and rendered prior to lack of funds.

11.4 The Owner may, by written notice to the DP, terminate this Agreement if it is found by the Owner that improper gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the DP or any agent or representative of the DP to any officer or employee of the State of Arizona, the Arizona Board of Regents, or the University of Arizona.

11.5 In the event of termination which is not the fault of the DP, the Owner shall pay to the DP only the compensation properly due for services properly performed on the Project and accepted by the Owner prior to the termination date and Reimbursable Expenses incurred as provided hereunder. Any post-termination wrap-up costs must be approved by the Owner in writing in advance of their commitment or expenditure or DP specifically waives all rights to claim such post-termination costs not pre-approved hereunder.

11.6 This Agreement may be terminated by either party for default upon the defaulting party's failure to cure a material breach within seven (7) days after written notice by the non-defaulting party specifying the nature of the default.

11.7 At or prior to the Termination Date, all Drawings, Specifications, and other design, bidding or construction administration documents then available shall be provided by the DP to the Owner.

Article 12 Extent of Agreement

Amounts withheld will be paid upon proper resubmission.

Originals of the Vendor's Claim Form, and examples of acceptable payment status summary back-up forms, are available at the offices of PDC. All Invoices must be submitted directly to PDC.

For Basic Services, the DP's Basic Compensation shall be computed as set forth in Owner's Project Authorization and Exhibit "A", Hourly Rates for Services, as attached hereto.

13.1.3 When any part of the Project is deleted or otherwise not constructed, compensation for such portions of the Project shall be payable to the extent services are performed on such portions.

13.1.4 If and to the extent that the time initially established for completion of the Construction Administration Subphase of the Project is exceeded or extended beyond the

established completion date through no fault of the DP as determined by the Owner, compensation for Basic Services required for such extended period of administration of the Contractor Construction Agreement shall be computed and paid as established in the Project Authorization.

13.1.5 DP shall pay to each of its Subconsultants within thirty (30) days of receipt of its monthly payment from Owner, that amount properly due and payable to said Subconsultant for services performed within the payment period. DP shall, by an appropriate agreement with each of its Subconsultants, require each such Subconsultant to make payments to its Sub-subconsultants in a similar manner. No markups shall be allowed with respect to Subconsultants without Owner's prior written approval. Upon request of the Owner, DP shall furnish documentary evidence of compliance with these payment provisions.

If any provision or any part of a provision of the Agreement shall be finally determined to be superseded, invalid, illegal, or otherwise unenforceable pursuant to applicable laws by any authority having jurisdiction, such determination shall not impair or otherwise affect the validity, legality, or enforceability of the remaining provision or parts of the provision of the Agreement, which shall remain in full force and effect as if the unenforceable provision or part were deleted.
